

Curriculum Vitae: Li Fajun (May, 2008)

Birth Date: July 12, 1976
Citizenship: P.R.C
Married and a daughter

Lecturer, Master Candidate Supervisor of Anthropology Department
Vice-director of Center for Health and Human Development
Sun Yat-sen University

Address: Martin Hall, 135 Xingangxi Road, Haizhu District
Guangzhou, Guangdong Province, China 510275

Phone Number: (86-20) 841-407-58
E-mail: lifajun@mail.sysu.edu.cn

Education

2001-2004	Jilin University Ph.D. History Dissertation Title: Research on the Human Skeletons at the Neolithic Site of Jiangjialiang, Yangyuan, Hebei Province, China	Changchun, Jilin Province
1999-2001	Jilin University MD History Recommended for admission to graduate student college	Changchun, Jilin Province
1995-1999	Jilin University BD History Thesis Title: Anthropological Study of the Residents at Taosi in Xiangfen, Shanxi Province, China	Changchun, Jilin Province

Additional Education

1999	Norman Bethune Medical Science University Advanced Studies in Human Osteal Anatomy	Changchun, Jilin Province
1995-2002	Jilin University Public Teaching Division Foreign Language Research and Teaching Center Intensive English Language Course	Changchun, Jilin Province
2006-2007	Alliance Française de Canton Intensive French Language Course (Dec 2006 to Aug 2007 for 500 hours)	Guangzhou, Guangdong Province

Language Skills

English	Fluent speaking and academic reading knowledge (CET-6)
French	Speak: fairly well, Read: fluently

Grants Awarded

2007	Ahan-Tongshan Bounty of Sun Yat-sen University (2007-2008, manager, \$ 2,857): <i>A Study of the Human Skeletons at Neolithic Site of Liyudun, Suixi, Guangdong Province, China.</i>
------	--

- 2007 National 985 project (2007-2008, manager, \$ 2,857): *The plan of multi-dimensional textbook for Physical Anthropology course.*
- 2007 Science and Technology Commission of Guangdong Province Project (2007-2009, first member, \$ 12,485): *A software system for facial reconstruction based on 3D Technology.*
- 2005 Ministry of Education Humanities and Social Sciences Research Project (2005-2008, first member, \$ 7,143): *An archaeological research on the formation of Han Culture in the marginal region of Han Dynasty.*
- 2005 Hubei Province Administration of Cultural Heritage Project (2005-2006, second member, \$ 50,214): *The archaeological excavation and research of Wangjiawan Cemeteries in Badong of Hubei Province in 2005.*
- 2005 National 211 Project for Sun Yat-sen University (2003-2005, participant, \$ 35,714): *Ethnic Group and their self-identity and China Nationalities Multi-integrative Pattern: from the Point of View of Physical Anthropology.*
- 2001 The National Science Foundation (2001-2004, participant, \$ 7,143): *An application of the Scientific Method in the Field of Archaeology: A Research on the Human Skeletons at the Neolithic Site of Jiangjialiang, Yangyuan, Hebei Province.*
- 1999 The National Basic Student Training Foundation for Anthropological Research (1999, participant, \$ 714): *Research on Anthropological Type of the Residents of the Taosi Site in Xiangfen, Shanxi.*

Papers Given

- 2007 World Heritage of Human Origins Conference
Mildura, Australia
Paper Title: *The Significance of the Zhoukoudian Site and Its Actuality, for the World Heritage of Human Origins Conference*
- 2007 Fudan University and HARVARD-YENCHING Cultural and Health Forum:
the medical practice and healthy policy in a view of modern anthropology.
Shanghai, China.
Paper Title: *How can we research the healthy status of the group of involuntary resettlement after they have been resettled: a discussion about the relative theories, methods and practices of cooperation*
- 2007 Frontier ethnical archaeology and ethnoarchaeology forum
Guangzhou, China
Paper Title: *The significance of the human bones from Liyudun Neolithic site*
- 2006 International Symposium on Cultural Diversity and the Contemporary World-
A Preparatory Conference for the 16th International Congress of
Anthropological and Ethnological Sciences (ICAES 2008) in China
Guangzhou, China
Paper Title: *Natural Human and Cultural Human*
- 2005 Chinese Frontier Archaeology Meeting
Chengdu, China
Paper Title: *The research of paleopathology of human skeletons at the Neolithic site of Jiangjialiang, Yangyuan in Hebei Province*
- 2005 International Archaeological Academic Forum: Physical Anthropology and
Molecular Archaeology
Changchun, China
Paper Title: *Observations of Three Non-metric Traits in Ancient Groups in Northern China*

- 2004 In Commemoration of the 100th Anniversary of the Birth of Professor Pei Wenzhong and 75th Anniversary of the Discovery of the First Skull of Peking Man
Beijing, China
Paper Title: *The Use Statistical Analysis in the Study of the Ancient Palaeopathology of Human Skeletons in Northern China*
- 2003 River and Civilization Academic Meeting
Guangzhou, China
Paper Title: *A Study of the Stature of the Residents of the Neolithic Site of Jiangjialiang in the Nihewan Basin*

Field Experience

- Spring 2008 Liuzhou City, Guangxi Zhuang Autonomous Region, China
A Study of Ancient Skeletons of Human
Institute of Archaeology of CASS, Sun Yat-sen University
Co-Principal Investigator
- Fall 2007 Pinghu City, Zhejiang Province, China
Neolithic Site Protection and Excavation Project
Zhejiang Institute of Archaeology, Sun Yat-sen University
Co-Principal Investigator
- Fall 2006 Luodian Country, Guizhou Province, China
Ming-Qing Dynasty Site Protection and Excavation Project
Guizhou Institute of Archaeology, Sun Yat-sen University
Co-Principal Investigator
- Summer 2006 Jiaozuo City, Henan Province, China
South-to-North Water Transfers Archaeological Project
Sun Yat-sen University
Co-Principal Investigator
- Summer 2006 Pinghu City, Zhejiang Province, China
Prehistoric Protection and Excavation Project
Zhejiang Institute of Archaeology, Sun Yat-sen University
Co-Principal Investigator
- Summer 2006 Suixi Country, Guangdong Province, China
Ahan-Tongshan Bounty of Sun Yat-sen University
Sun Yat-sen University, Guangdong Institute of Archaeology
Principal Investigator
- Summer 2005 Libo County, Guizhou Province, China
National 985 Project for Sun Yat-sen University
Sun Yat-sen University
Principal Investigator
- Summer 2004 Zhongshan City, Guangdong Province, China
Prehistoric Site Protection and Excavation Project
Zhongshan Museum, Guangdong Institute of Archaeology, Sun Yat-sen University
Principal Investigator
- Summer 2003 Panyu, Guangzhou City, Guangdong Province, China
University Town Construction Project
Guangzhou Government, Guangzhou Institute of Archaeology
Co-Principal Investigator
- Fall 2002 Lvshun, Liaoning Province, China
Museum Visitor Investigation Project
Jilin University
Assistant Investigator

Summer 2002 Ji'an County, Jilin Province, China
Archaeological Excavation for Gaogouli Remains
Jilin Institute of Archaeology, Jilin University
Co-Principal Investigator

Spring 2002 E'erduosi, Daihai, and Jining Regions of the Inner Mongolian Autonomous
Region, China
A Study of Ancient Skeletons of Human
Jilin University
Research Assistant

Winter 2001 The Three Gorges Region, Chongqing City, China
Jilin University Department of Archaeology Field School
Jilin University
Research Assistant

Fall 2001 Juyanhai Region, Inner Mongolian Autonomous Region, China
Han Dynasty Signal Fire Beacon Investigation Project
Inner Mongolian Institute of Archaeology, Jilin University
Assistant Investigator

Fall 2001 Juyanhai Region, Inner Mongolian Autonomous Region, China
Tu'erhute Mongolian Anthropological Study
Jilin University
Principal Investigator

Spring 2001 Jining, Inner Mongolian Autonomous Region, China
Neolithic Human Skeletons Research
Jilin University
Research Assistant

Summer 1999 Ningcheng County, Inner Mongolian Autonomous Region, China
Ancient Human Skeletons Research
Jilin University
Principal Investigator

Summer 1997 Dashanqian, Inner Mongolian Autonomous Region, China
Jilin University Department of Archaeology Field School
Jilin University
Student

Courses Taught

Spring 2008 Department of Anthropology, Sun Yat-sen University
Lecturer, Master Candidate Supervisor
Biological Anthropology, History of Chinese Variation, Anthropometry

Spring 2007 Department of Anthropology, Sun Yat-sen University
Lecturer, Master Candidate Supervisor
Biological Anthropology, Anthropometry, the Variation of Ancient Chinese

Fall 2006 Department of Anthropology, Sun Yat-sen University
Lecturer, Master Candidate Supervisor
Physical Anthropology, Anthropometry, the Variation of Ancient Chinese

Fall 2005 Department of Anthropology, Sun Yat-sen University
Lecturer
Physical Anthropology, Physical Anthropology Lab, the Variation of Ancient Chinese

Spring 2005 Department of Anthropology, Sun Yat-sen University
Lecturer
Physical Anthropology, Ancient Chinese Race and Civilization Development, the Technology of Facial Reconstruction
